

CORPORATE PARTNERSHIP OPPORTUNITIES

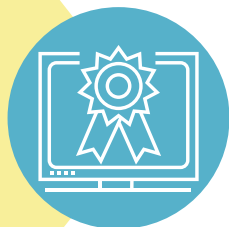

PREP-KC brings educators and industry professionals together to help students across the heart of Bistate Kansas City develop a path for a meaningful career. We are seeking corporate partners to join us in deepening and growing student impact. Benefits of a PREP-KC partnership include:

ENGAGE YOUR EMPLOYEES

PREP-KC provides your employees with in-person and virtual volunteer opportunities with elementary, middle, or high school students throughout the school year.

AMPLIFY YOUR BRAND

Connecting with PREP-KC's students builds awareness of your brand among potential future employees.

PREP-KC acknowledges and thanks our sponsors through program collateral, website, and social media.

SHAPE THE NEXT GENERATION OF KC'S WORKFORCE

Each year, PREP-KC connects over **22,000** students attending the region's urban schools with industry professionals to explore future careers.

Since 2019, we've helped more than **10,000** high school students graduate with a Market Value Asset.

The Holland 1916 team is committed to inspiring young people about careers. Since 2016, we've partnered with PREP-KC to introduce thousands of students to exciting manufacturing careers. PREP-KC makes volunteering easy—they're our 'Easy Button'.

CORPORATE PARTNERSHIP OPPORTUNITIES

COLLEGE & CAREER EXPERIENCES \$10,000

PREP-KC provides college & career exploration opportunities for students in 39 urban elementary and middle schools.

Currently, resources limit the number of students we can engage. For example, PREP-KC serves only 5th graders in many of our elementary schools. Our goal is to provide college and career experiences to every student in our urban partner schools.

With your help, we can serve all K-5 students.

MARKET VALUE ASSET SPONSORSHIP \$15,000-\$25,000

Market Value Assets (MVAs) are real-world learning experiences that prepare students for success after high school. MVAs include internships, industry-recognized credentials, and early college credit. A few examples of how your support can help students earn MVAs:

- **\$12,000** supports three students in earning their Certified Nursing Assistant Credentials.
- **\$15,000** pays tuition for 15 students to complete nine college credit hours.
- **\$21,000** will help three students earn their welding certifications.

MATH RELAYS SPONSORSHIP \$5,000-\$25,000

PREP-KC's Annual Math Relays bring students from across our urban school districts together to compete in individual and team math challenges. Math Relays helps students improve their math skills and makes math FUN! We host this event for 8th-12th grade students each Fall, and host a Junior Math Relays for 5th-7th grades in early Spring. These events collectively engage more than 1,000 students.

Presenting (\$25,000), Gold (\$10,000), and Silver (\$5,000) sponsorships are available. PREP-KC also offers customized volunteer experiences for sponsors at the event.
